

The Company:

Border Stylo is not your typical technology company.

It was founded with the passion to challenge the status quo, eliminate borders and develop web solutions and technologies that humanize the Internet experience by empowering individuals across all web sites. Formed by a group of friends from diverse, creative backgrounds in the arts, film, and technology, the company — headquartered in Los Angeles, California — has a viewpoint that spans the globe, and believes your internet experience should be defined by you.

Challenge the status quo by engaging with Border Stylo at www.borderstylo.com.
